```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box representing the `WritePanel` class, with its full path `plume-creator.src.plume.gui.write_panel.WritePanel`. Two blue arrows point upwards from this box to two white boxes above it. The left arrow points to the `SubWindow` class, and the right arrow points to the `WindowSystemController` class, indicating that `WritePanel` inherits from both.
